Re; Derrick Newman Apprenticeship I.D. 0232343

To whom this may concern,

In our view Derrick Newman has met and exceeded his requirement of 5,000 hours of practical experience. He has shown steady improvement over this time in all aspects of the trade to be an equal in capability to his peers. Derrick is an enthusiastic and skilled component in our company and has proven himself to be both reliable and responsible. Derrick has been keen to share his skills and discipline to lesser skilled subordinates he works with and encourages a high standard of workmanship and work ethic.

I hope this information will satisfy your needs. Should you have any questions, please do not hesitate to contact myself.

Yours truly,

Alex Zarrin
